Hands passed out.....	25	

<sup>1</sup> Two Slams were bid as a defensive measure.

<sup>2</sup> One Slam was bid as a defensive measure.

<sup>3</sup> These figures include unbid Slams and games which were made and could be made against perfect defense. No statement is made that they should have been bid. In fact, most of them were due to lucky breaks, and were not biddable.

<sup>4</sup> These figures include only exact game contracts. They do not include games which were bid as a defensive measure or contracts greater than game bids.
